Report Open Fire Hydrants
Help maintain the pressure needed for fire protection.

Help stop water theft and control the cost of water by reporting open hydrants. If you see a hydrant being used without a water meter, please call 617-989-7000 to report the location.

Help Stop Water Theft
Call if you see a hydrant being used without a water meter. Call 617-989-7000 to report the location.
