

# Massachusetts Avenue Project Overview

## Contract: 17-308-005

### **PURPOSE**

The purpose of this project is to upgrade the water systems within Massachusetts Ave, Albany Street, East Newton Street, Northampton Street and Harrison Avenue.

### **PROPOSED WORK**

The work under BWSC Contract 17-308-005 includes the following:

- Massachusetts Ave: Tremont St to Albany St
  - Replacement of 3,300 feet of water mains
- Albany St: Massachusetts Ave to E. Concord St
  - Replacement of 660 feet of water mains
- East Newton St: Washington St to Albany St
  - Replacement of 1,180 feet of water mains
- Northampton St: Washington St to Harrison Ave & Albany St to Fellows Street
  - Replacement of 880 feet of water mains
- Harrison Ave: E. Canton St to Wareham Street
  - Replacement of 710 feet of water mains

### **SURFACE RESTORATION**

Temporary restoration of roadways, sidewalks and other areas disturbed by construction will be completed under this contract. Concrete or brick sidewalks will be restored within six weeks, weather dependent. Permanent restoration will occur under a separate paving contract.

### **Typical Water Main Bypass**

## Contractor: D'Allessandro Corp.

### **Typical Water Main Installation**

### **PROJECT DURATION**

Work is scheduled to take place from:  
September 2018 to November 2019.

### **ANTICIPATED IMPACTS:**

The anticipated impacts include water service interruptions, noise, traffic and parking modifications, rodent activity, dust and general construction impacts. The contractor will be required to minimize impacts to the extent feasible.
