The boundaries for the areas being flushed are: Tremont St, Malcolm X and Dudley Street to the north, Arborway and Seaver Street to the south, Blue Hill Avenue to the east and Brookline Border to the west.

The purpose of the Water Main Flushing Program is to improve drinking water quality for residents and businesses.

Water Main flushing will take place between the hours of

The flushing process may cause discolored water and a reduction in pressure. The discoloration of the water will be temporary and is not harmful. If the condition persists, please contact BWSC's 24 Hour Service at (617) 989-7000.

BWSC appreciates your patience as we work to improve the quality of drinking water we will provide to the residents and businesses of Boston.
