Sewer Commission**

# Upper Roxbury Sewer Separation Phase 3 Project Update

## **BWSC Contract: 17-309-011**

### **PURPOSE**

Roxbury Sewer Separation Phase 3 is a continuation of the work recently completed on Dudley Street and involves the separation of the combined sewer system into a new sewer system and new drain system. This project will reduce pollution levels in Boston Harbor by substantially decreasing the number and volume of combined sewer overflows. This project will also include some water main replacement work as well. The purpose of this notice is to provide information regarding the ongoing improvements in your neighborhood and any necessary impacts or disruptions that might result from this work.

### **COMPLETED WORK**

- Blue Hill Avenue: Dudley Street to Winthrop Street
  - Separated 600 LF of combined sewer
- Lagrange Place: Blue Hill Avenue to End
  - Replaced 170 LF of water main
  - Replaced 170 LF of sanitary sewer

### **UPCOMING WORK**

- Winthrop Street: Blue Hill Avenue to Maywood St.
  - Install 60 LF of drainpipe
    - **Work begins week of 12/12/2022**
- Blue Hill Avenue: Winthrop St. to Maywood St.
  - Separate 2,900 LF of combined sewer
    - **Anticipated Start: 1/15/2023**

### **ANTICIPATED IMPACTS**

The anticipated impacts include water service interruptions, noise, traffic and parking modifications, rodent activity, dust, and general construction impacts. The contractor will be required to minimize impacts to the extent feasible. Detours to outbound traffic on Blue Hill Avenue will be required to facilitate the work.

### **SURFACE RESTORATION**

Temporary restoration of roadways, sidewalks and other areas disturbed by construction will be completed under this contract. Permanent paving restoration will occur under a separate contract.

### Typical Sewer Separation Project
