WATER MAIN FLUSHING NOTICE

Boston Water and Sewer Commission will commence Water Main Flushing in the Beacon Hill & Kenmore areas starting:

June 6, 2023 through July 12, 2023

The boundaries for the areas being flushed are: Storrow Drive to the north, Huntington Avenue to the south, Tremont Street/Boston Common to the east and Riverway to the west.

The purpose of the Water Main Flushing Program is to improve drinking water quality and water pressure for residents and businesses of Boston.

Water Main flushing will take place between the hours of
10:00 P.M. and 6:00 A.M.

The flushing process may cause discolored water and a reduction in pressure. The discoloration of the water will be temporary and is not harmful. If the condition persists, please contact BWSC's 24 Hour Service at (617) 989-7000.

BWSC appreciates your patience as we work to improve the quality of drinking water we will provide to the residents and businesses of Boston.

If you have any questions, contact BWSC's Night Operations Manager at (617) 989-7000 or visit our website @ www.bwsc.org for weekly updates on the project.
