

Stormwater & Green Infrastructure Assistance Grant Program Application

BWSC will award stormwater and green infrastructure assistance in the form of a grant to help offset the cost of projects that support BWSC's stormwater management goals, which include improving local creeks, rivers and watersheds in the City of Boston. Note that local, state, and federal agencies have authority over certain restoration activities. The applicant must obtain all local, state, and federal permitting as required by the selected activity.

This application is provided to BWSC stormwater customers who believe they may qualify for assistance. Please fill out the required fields

NOTE: Applications must be pre-approved by BWSC prior to installation. All pre-approved applications for customers will not be reimbursed until all work is completed and acceptable documentation has been submitted and accepted.*

Have you applied for assistance from BWSC in the past?

Yes No

**If approved, your approval letter will provide more info on acceptable documents. Reimbursement requests for approved activities must be supported by receipts, paid invoices, and other documentation. You will be asked to provide a report of the grant activity that includes photos, plans, detailed descriptions, or other documents.*
