

Charlestown Water, Sewer, and Drain Replacement Project Update

BWSC Contract: 20-309-002

PURPOSE

Work under this contract includes the replacement and rehabilitation of approximately 5,670 linear feet of sewers and drains, and 4,615 linear feet of water mains in Charlestown. This project serves to update and improve critical aging infrastructure and will provide high quality drinking water and sewer service in the Charlestown area. The purpose of this notice is to provide information regarding the ongoing improvements in the neighborhood and any necessary impacts or disruptions that might result from this work.

ONGOING WORK

- Park Street & Common Street:
 - Warren Street to Adams Street
 - Water Main Replacement

Projected Completion: September 2024
- Main Street:
 - At Austin Street Intersection
 - Sewer Main Repair

Projected Completion: September 2024

UPCOMING WORK

- Pleasant Street:
 - Warren Street to Monument Square
 - Water and Sewer Replacement

Projected Start: September 2024
Projected Completion: November 2024
- Monument Avenue:
 - Warren St to Monument Square
 - Sewer Rehabilitation

Projected Start: September 2024
Projected Completion: October 2024

ANTICIPATED IMPACTS

The anticipated impacts include water service interruptions, noise, traffic and parking modifications, rodent activity, dust, and general construction impacts. The contractor will be required to minimize impacts to the extent feasible.

SURFACE RESTORATION

Temporary restoration of roadways, sidewalks and other areas disturbed by construction will be completed under this contract. Permanent paving restoration will occur under a separate contract.
