

Downtown Water, Sewer, and Drain Replacement Project Update

BWSC Contract: 21-308-003

Essex Street Water Main Replacement

PURPOSE

Work under this contract includes the replacement of approximately 1,070 linear feet of combined sewers, approximately 4,885 linear feet of water mains, and the rehabilitation of 515 linear feet of sewers in City Proper. The project serves to update and improve critical aging infrastructure to provide high quality water and sewer service in the downtown area. The purpose of this notice is to provide information regarding the ongoing improvements in the neighborhood and any necessary impacts or disruptions that might result from this work.

ONGOING WORK

- Essex Street: Harrison Ave to Kingston Street
 - Water main replacement (Night Shift)**Projected completion: October 2024**

UPCOMING WORK

- Essex Street: Lincoln Street to South Street
 - Water main replacement (Night Shift)**Projected start: September 2024**
Projected completion: November 2024

ANTICIPATED IMPACTS

The anticipated impacts include water service interruptions, noise, traffic and parking modifications, rodent activity, dust, and general construction impacts. The contractor will be required to minimize impacts to the extent feasible.

SURFACE RESTORATION

Temporary restoration of roadways, sidewalks and other areas disturbed by construction will be completed under this contract. Permanent paving restoration will occur under a separate contract.
