Re: MWRA Annual Maintenance Program

Dear Mr. Sullivan:

MWRA's Metropolitan Operations is continuing its FY 2025 Valve Exercising Program. This maintenance program includes the exercising of main lines, blow offs, and air valves along our pipeline sections. Excavation of paved surfaces will not be necessary for this program.

During the month of **March 2025** MWRA personnel will perform the above referenced maintenance work on various MWRA water mains including MWRA Sections W1, W2, W3, W4, W5, W6, W7, W8, W13, W14 and W15. This work may result in discolored water but is not expected to create any pressure losses at the meter listed below. Discolored water may be anticipated for three days after the work is completed.

<u>METER</u>	<u>LOCATION</u>	<u>PRESURE LOSSES/DISCOLORED WATER</u>
3	Condor St @Brooks St, East Boston	0 psi/Possible
44	Beacon St. @ St. Mary's St.	0 psi/Possible
48	Perkins St @ Somerville Line, Somerville	0 psi/Possible
60	Riverway Dr. @ Longwood Ave	0 psi/Possible
64	Chelsea St @ Caruso P.S., E. Boston	0 psi/Possible
75	Harvard St. @ Boston Line	0 psi/Possible
78	Broadway @ Somerville-Boston Line, Somerville	0 psi/Possible
101	Spurr St @ N. Harvard St, Allston-Brighton	0 psi/Possible
244	Brookline Ave. @ Parkway Rd.	0 psi/Possible
245	River Rd. @ Washington St.	0 psi/Possible

Please note, information on the maintenance exercise will be posted on MWRA's website and social media accounts prior to the start of work. Should you have any requests for additional community outreach, including to local media outlets, please contact Troy Wall, MWRA's Community Relations Liaison, at (617) 305-5762.

Prior to beginning the work, the Authority's Operations Section will call you on the day the work begins and follow up until it is completed.

If you have any questions or comments, please do not hesitate to contact me directly at 617-305-5694. Again, we will strive to work closely with you to minimize disruption to the public's water supply.

Sincerely,

A handwritten signature in black ink, appearing to read "Douglas Kempe".
