

Beacon Hill Water, Sewer, and Drain Replacement Project Update

BWSC Contract: 19-308-004

PURPOSE

Work under this contract includes approximately 2,500 linear feet of sewer and drain replacement, 4,000 linear feet of sewer and drain rehabilitation, and 9,200 linear feet of water main replacement in Beacon Hill and City Proper. This project serves to update and improve critical aging infrastructure and will provide high quality drinking water and sewer service throughout area. The purpose of this notice is to provide information regarding the ongoing improvements in the neighborhood and any necessary impacts or disruptions that might result from this work.
